LOVE LIFE LAUNCHES NEW YOUTH CENTRE

Amidst much excitement, members of the Bochum community and local youth, stakeholders, and the Mayor of Blouberg Municipality gathered to celebrate the launch of the Love Life Youth Services Centre. The Centre will act as a support for youth employment and an incubation centre for information sharing.

This has been funded by Kurisani Youth Development Trust, from dividends received from its shareholding in Soutpan Solar Power.

MATRIC CENTRE FOR BRIGHTER FUTURES

The 2021 Grade 12 learners who attended extra lessons at the Matric Centre at Marumofase Secondary School in Indermark, achieved an overall pass rate of 72% in their 2021 final exams. The Matric Centre focuses on STEM subjects to help Matric learners achieve improved results that will enable them to further their tertiary studies.

Well done to Pheyo Sengakana who achieved 79% and is now studying medicine at Sefako Makgato Health Sciences University, Pretoria.

SUPPORT FOR YOUTH-OWNED AGRIPRENEURS

Botalatemong crop farmers, in Bochum has received funding to erect fencing for their agricultural land, as well as a solar-powered water pump. This pump has significantly reduced their production costs as they were previously needing to use a generator to power the pump, which consumed a lot of fuel.

"We believe in supporting youth so that they can be encouraged to seriously consider agriculture as a career, which is one of the reasons why this farming SMME is one of the businesses that we are assisting."

"The support has made a huge difference in my farming career."

MEET OUR INTERN: TSHEPO CHABA

Having graduated with a National Diploma S4 in Electrical Engineering, Tshepo joined our team as a solar intern. She is passionate about solar power and says: "Renewable energy shouldn't be an alternative, it should be the way we always generate energy as the resources are always there."
